SCHOOL OF ENGINEERING OF MILWAUKEE

ADMINISTRATIVE OFFICES
~~211 BROADWAY~~
MILWAUKEE, WIS..

OFFICE OF THE VICE-PRESIDENT 467-Jackson St.,

April 14,1928.

Mr. Frank J. Jutrash,
385-11th Ave.,
Apt1 5,
Milwaukee,Wis1

Dear Mr. Jutrash:

Your letter to the School of Engineering of Milwaukee announcing the Badger Central Division A R R L's coming convention has been referred to me by President Werwath and I have had two or three talks also on this subject with Mr. Crapo.

We will be very glad indeed to cooperate with your Organization in every way to enhance the value of this convention to yourself as well as to amateurs generally, and will be, therefore, happy to sponsor " an electrical demonstration and talk" to be held in our Radio Auditorium, Third Floor of the School of Engineering Building at Jackson St. and East Wells Street, on Saturday afternoon, May 26th,1928.

The School's Auditorium and the class facilities, laboratory or otherwise, are to be entirely free to you and the public and it has been suggested by Mr. Crapo that we make the hour 1:00 P.M. O'Clock and open our three radio station equipments, 9SO, W G W B and W I S N for the inspection of convention visitors and guests.

I will in a day or two have worked out the details of the demonstration and will furnish you the name of the instructor or person who will conduct it, and other information, at that time.

We wish to thank you also for your kind invitation to our faculty and students to attend and we will certainly take advantage of it.

We will be glad to have other information by circular, or otherwise, so that we can give due publicity, throughout our School organization, to this important convention.

Yours very sincerely,
SCHOOL OF ENGINEERING OF MILW.,
BY F.A. Vaughn
F.A. VAUGHN, Vice-Pres.-Radio
